

Waiting List Agreement

1. The waiting list deposit is \$350. The balance of the puppy purchase is due the day of pick up or two days before delivery (if applicable).
2. Clients are placed on the list in the order of deposit. Deposits can be made through cash, Venmo or Zelle.
3. We will post the first name of the waiting list clients on our website.
4. Waiting list clients will be notified upon delivery of a new litter of puppies.
5. Somewhere between 4-6 weeks of age, we will work through the waiting list and allow families to choose their puppy. Please remember, we handle our puppies daily, from the minute they are born. We hope you will trust our expertise in helping guide you through this process and choosing a puppy whose temperament is best suited to your family. We will discuss your wants and needs at length with you.
6. Puppy visits are only allowed after the first set of vaccinations.
7. Once notified, we ask that you make your decision within 24 hours. If we do not hear back from you in that amount of time, we will move to the next client on the list.
8. Clients who decide they are not ready for a puppy when that litter will be ready to go home can be moved to the next available litter.

Breed of Puppy Desired: _____ Sex of Puppy Desired: _____

Purchase Price: _____ Deposit Paid: _____
